Fall 2018 and Winter 2019 Terms only

Use this application for Dual Enrollment application to the following Schools and Colleges:
College of Literature, Science, and the Arts (LSA)

Completing the Application
Before filling out the application, please read this information sheet thoroughly for the guidelines for admissibility as a Dual Enrollment candidate and for information on the documentation that must be included with this application. If you do not meet the guidelines and wish to discuss special circumstances, you should call the Office of Undergraduate Admissions at 734-764-7433 and ask to speak to an Admissions Counselor. Also, please feel free to contact us online at admissions.umich.edu.

Completed applications should be returned to:
Office of Undergraduate Admissions
300 Student Activities Building
515 E. Jefferson St.
Ann Arbor, MI 48109-1316
Fax: 734-936-0740 or scan and email to ecredentials@umich.edu

Part II must be completed by a secondary school official. The completed application can be submitted directly to the Office of Undergraduate Admissions. Transcripts or other documentation should be sent directly by the institution, but can be turned in to this office by the applicant if contained in an envelope sealed by the issuing institution.

Applications should be returned to the Office of Undergraduate Admissions at least one month in advance of the first day of classes* (see below). If you are applying for Winter Term, please be aware that December 25 - January 1 are NOT business days. This office will determine admissibility as applications are received and will notify the applicant of a decision by email. If admitted, an official admission communication including registration procedures will follow. Students are typically notified of their decision in late August (fall term) or late December (winter term) once space and availability is determined and the application and required documentation are received. Applications submitted after this time period are not guaranteed to be reviewed prior to the beginning of the semester.

Applicants who are F-1 or J-1 visa holders must submit an official transcript in addition to Part II of the Dual Enrollment application. A completed Financial Resources Statement (available online at admissions.umich.edu/hrs or through the Office of Undergraduate Admissions), supporting documentation, and a photocopy of the current I-20 or DS-2019 and I-94 card (for students already in the U.S. on F-1 or J-1 status) are also required.

Students who are non-native speakers of English are required to provide proof of English language proficiency by taking the Michigan English Language Assessment Battery (MELAB; www.cambridgemichigan.org/test-takers/tests/melab), the Test of English as a Foreign Language (TOEFL; www.ets.org/toefl), or the International English Language Testing System test (IELTS; www.ielts.org). Scores should be submitted directly from the testing agency to the Office of Undergraduate Admissions. Please include a photocopy of your score report or the date on which you plan to take the MELAB, TOEFL, or IELTS. Please also include a residency statement.

Registration
• Dual Enrollment students may not register before the first day of classes. University of Michigan students register for classes via the web. For information about the registration process, see the Registrar’s website at ro.umich.edu. Admitted Dual Enrollment candidates may enroll in the specific coursework stated in the Admission Decision letters in the College of Literature, Science, and the Arts, provided spaces are available.
• Continuation for subsequent terms is contingent upon successful performance in courses. Students who wish to continue their Dual Enrollment status need not file another application if they register within twelve months from the last completed term. However, they must submit a request for continued enrollment which should include the proposed course title and number for subsequent term of enrollment. The request should be sent to the Office of Undergraduate Admissions at least one month in advance of the first day of classes* (see below).
• At a later time, if you change from Dual Enrollment to degree-seeking status and are admitted and enroll, all courses you completed as a Dual Enrollment student will be added to your credits and grades on your U-M academic record.

You are a high school senior, and have:

1) completed a track of typical college prep courses through the Advanced Placement level, or
