Completing the Application

Before filling out the application, please read this information sheet thoroughly for the guidelines for admissibility as a Non-Degree student and for information on the documentation that must be included with this application. If you do not meet the guidelines and wish to discuss special circumstances, you should call the Office of Undergraduate Admissions at 734-764-7433 and ask to speak to a Non-Degree Admissions Counselor. Also, please feel free to contact us online at admissions.umich.edu.

Completed applications should be returned to:

Office of Undergraduate Admissions
300 Student Activities Building
515 E. Jefferson St.
Ann Arbor, MI 48109-1316
Fax: 734-936-0740 or scan and email to ecredentials@umich.edu

If you are having Part II certified by another institution, that institution may return the completed application directly to the Office of Undergraduate Admissions. Transcripts or other documentation should be sent directly by the institution, but can be turned in to this office by you if contained in an envelope sealed by the issuing institution.

Applications should be returned to the Office of Undergraduate Admissions at least 14 business days in advance of the first day of classes* (see below). If you are applying for Winter Term, please be aware that December 25-January 1 are NOT business days. This office will determine admissibility as applications are received and will notify the applicant of a decision by email. If admitted, an official admission letter including registration procedures will follow. Students are typically notified of their decision 2-4 weeks after receipt of the application and required documentation. Applications submitted after this time period are not guaranteed to be reviewed prior to the beginning of the semester.

Applicants who are F-1 or J-1 visa holders must submit an official transcript in addition to Part II of the Non-Degree application. A completed Financial Resources Statement (available online at www.admissions.umich.edu/frs or through the Office of Undergraduate Admissions), supporting documentation, and a photocopy of the current I-20 or DS-2019 and I-94 card (for students already in the U.S. on F-1 or J-1 status).

Students who are non-native speakers of English are required to provide proof of English language proficiency by taking the Michigan English Language Assessment Battery (MELAB; www.cambridgemichigan.org/melab), the Test of English as a Foreign Language (TOEFL; www.ets.org/toefl), or the International English Language Testing System test (IELTS; www.ielts.org). Scores should be submitted directly from the testing agency to the Office of Undergraduate Admissions. Please include a photocopy of your score report or the date on which you plan to take the MELAB, TOEFL, or IELTS.

Registration

- LSA Non-Degree students may not register before the first day of classes. University of Michigan students register for classes via the web. For information about the registration process, see the Registrar’s website at www.ro.umich.edu. Admitted applicants may enroll in whatever courses in the College of Literature, Science, and the Arts they are qualified to take, provided spaces are available.
- Continuation for subsequent terms is contingent upon successful performance in courses. Students who wish to continue their Non-Degree status need not file another application if they register within twelve months from the last completed term.
- At a later time, if you change from non-degree to degree-seeking status and are admitted and enroll as a transfer student, all courses you completed as a non-degree student will be added to your transfer credits and grades on your U-M academic record.

Eligibility

Before completing the enclosed Non-Degree application, carefully read the information provided below to determine if you are eligible for Non-Degree admission.

To be admitted as a Non-Degree student, you must meet at least one of the following criteria:

1) You have completed an undergraduate degree and wish to take courses for purposes other than seeking another undergraduate degree.

2) You have been enrolled in another institution for 2-3 semesters, are “eligible to return” to that institution, and have allowed at least one full term (not including Spring/Summer) to elapse before term of enrollment as a Non-Degree seeking student. Please note your circumstances clearly in this application and provide supporting documentation from your academic advisor that the above is the case and that permission is granted for you to take a course in LSA and transfer it back to meet your graduation requirements.

3) You are currently at the upper-division level, in good standing and eligible to return to your home institution, and wish to take a course in LSA that is essential to your program of study which is not offered at your home institution. Please note your circumstances clearly in this application and provide supporting documentation from your academic advisor that the above is the case and that permission is granted for you to take a course in LSA and transfer it back to meet your graduation requirements.

4) You have attained the upper-division level at a private college, are in good standing and eligible to return to your home institution, and have permission from your academic advisor to spend a semester or two in LSA to experience part of your college education at a large public institution. Please note your circumstances clearly in this application and provide a letter of support from your academic advisor that the above is the case and that permission is granted for you to enroll in LSA and transfer the credit back to your home institution.

5) You are participating in a special program (such as Study Abroad) and have official approval marked on the application or have an official written form from a program advisor. Such admissions will usually be for one term and only for the courses offered through that particular program.

6) Dual Enrollment: You are a high school senior, have completed a track of typical college prep courses through the Advanced Placement level, have scored a 4 or 5 on the AP exam to place you in an intermediate level course such as Calculus III or an intermediate level foreign language. Part II does not need to be submitted. Required parts of Dual Enrollment Application:

- Official copy of your high school transcript through completion of your junior year
- SAT/ACT with writing scores
- Official AP scores
- Written approval from parents
- Written approval from high school counselor

Your application and all available documents should be submitted before your high school is dismissed for the summer. High school students may not enroll as Non-Degree students for college courses simply because the courses are not offered in their high school (e.g., any first or second year language courses).
The following documentation must be provided with all Non-Degree applications:

If you have an undergraduate degree, you must:
1) Provide an official final transcript (showing that you have received a degree),
   or
2) Have Part II of the Non-Degree application completed certifying that you have received a degree (Graduates of all schools/colleges at the University of Michigan-Ann Arbor campus do not need to have Part II of the application certified by the U-M Registrar’s Office. Certification of the student’s record will be completed by the Office of Undergraduate Admissions),
   or
3) Bring your diploma to the Office of Undergraduate Admissions, where we will make a copy for our records.

If you have not completed a college degree, you must:
1) Provide the most current official copy of your college transcript.

Note: You may be required to submit a high school transcript if you will have earned less than 25 credits by the term of your Non-Degree enrollment.

Non-Degree admission will not normally be granted for the following types of students:
1) Students whose purpose is to obtain a University of Michigan undergraduate degree.
2) Students who have missed a deadline for degree application.
3) Students whose degree application was incomplete by the deadline.
4) Students who have been denied admission as a degree-seeking student because of weak academic preparation.
5) Students who have previously enrolled as degree-seeking students at U-M, but have not completed a degree at U-M or any other institution. Such students should complete a “re-admit” or a “cross-campus transfer” application.

Note: Students wishing consideration due to special circumstances should contact a Non-Degree Admissions Counselor at 734-764-7433.
