Applications submitted after this time period are not guaranteed to be reviewed prior to the beginning of the semester. If you are applying for winter term, please be aware that Dec. 25 – Jan. 1 are NOT business days. This office will determine admissibility as applications are received and will notify the applicant of a decision by email. Scores should be submitted directly from the testing agency to the Office of Undergraduate Admissions. Please include a photocopy of your score report or the date on which you plan to take the TOEFL, IELTS, MET, or Duolingo.

#### Registration

- Dual enrollment students may not register before the first day of classes. University of Michigan students register for classes via the web. For information about the registration process, see the Registrar's website at [ro.umich.edu](https://ro.umich.edu). Admitted dual enrollment candidates may ONLY enroll in the specific coursework stated in the admission decision letter in the College of Literature, Science, and the Arts, provided spaces are available.
- Continuation for subsequent terms is contingent upon successful performance in courses. Students who wish to continue their dual enrollment status should submit a request for continued enrollment which includes the proposed course title and number for the subsequent term of enrollment. The Office of Undergraduate Admissions will notify the student if a new application or additional information is needed. The request should be sent to the Office of Undergraduate Admissions at least one month in advance of the first day of classes (see below).
- At a later time, if you change from dual enrollment to degree-seeking status and are admitted and enroll, you must contact the Registrar's Office to have all courses you completed as a dual enrollment student added to your credits and grades on your U-M academic record.

You are a high school student and have:

1. Completed a track of typical college prep courses through the Advanced Placement level, and
2. Scored a 4 or 5 on the AP exam to place you in an intermediate level course such as Calculus III or an intermediate level foreign language in the area you are interested in pursuing dual enrollment.

---

## Required parts of Dual Enrollment Application:

- Official copy of your high school transcript through completion of your current term of enrollment.
- SAT/ACT scores sent directly by the testing agency to the Office of Undergraduate Admissions. \*Note for fall 2022, exceptions can be made to the SAT/ACT requirement. However, AP results and exhaustion of curriculum will be needed for consideration.
